#### 4.4. Entry fees

Entry fees are established as follows

- With organizer's optional advertising € 350,00 + VAT (10%)
- Without organizer's optional advertising € 700,00 + VAT (10%)

**The tracking system IS NOT INCLUDED in the entry fee**

Shakedown and/or QS are established as follows:

- With organizer's optional advertising € 200,00 + VAT (10%)
- Without organizer's optional advertising € 400,00 + VAT (10%)

Other fees:

- Additional service plate € 150,00 + VAT (10%)
- Ouvreur (only priority drivers) € 300,00 + VAT (10%)

#### 4.5. Payment details

Registration fees must be paid using the online platform through the established system at the RFEDA webpage, and taking into consideration the APPENDIX 7, before the closing date for entries.

#### 4.6. Refunds

Entry fees will be totally refunded:

- To candidates whose entries have not been accepted.
- In case the event does not take place.

The organiser may partially refund entry fees (75 %) to the candidates who, for reasons of “force majeure” (duly certified by their ASN) were unable to start in the rallye and excused themselves before the start of the Administrative check. The crews who do not excuse themselves will be reported to ASN and the entry fee will not be refunded.

### 5. INSURANCE

According to the existing Regulations in Spain the insurance policy arranged by the Organisers covers the guarantees required by the RFEDA (ASN):

- Liability to third parties, in accordance with Spanish Legislation
- The payment, up to a maximum of € 15,000,000 per accident for material damages and € 70,000,000 per accident for personal injuries for accidents or fires caused by cars which take place in the Rally and whose Drivers have been declared civilly responsible.

The insurance cover will come into effect from Free Practice of QS (august, 19<sup>th</sup>) and will cease at the end of the Event or, at the moment of retirement or disqualification. Vehicles taking part at the shakedown will be also covered by this policy.

In case of an accident the competitor or his representative must notify in writing the Clerk of the Course in as short time as possible and a maximum of 24 hours. Must explain the circumstances under which the accident occurred. Likewise, must mention the names and addresses of any witnesses.

Competitors are reminded that only the damage caused by the Organisers and the entered drivers are covered by the insurance policy taken on by the Organisation. Injury to the drivers themselves or damages to participating cars are not covered by this insurance.

Entrants and competitors are free to take on at their own convenience any individual insurance policy that they deem fit, independently from the liability insurance above mentioned.

In case of an accident, competitors and drivers agree to hold harmless and keep indemnified the event's promoters and Organisers against all claims.

The service vehicles, even those bearing special plates issued by the Organisers, may never be considered as official participants in the rally. They are therefore not covered by the insurance policy of the rally and remain the sole responsibility of their owner.

Vehicles carrying Service and Auxiliary plates and/or any other special plate issued by the Organizer (apart the Zero cars of the Organizer) are not covered by the event's insurance policy. These vehicles circulate under the sole responsibility of their owners and the Organizer bears no responsibility for them.

Vehicles used by the crews during reconnaissance, even if bearing the event's specific sticker, must be insured by their owners. The Organizer bears no responsibility for such vehicles.

## 6. ADVERTISING AND IDENTIFICATION

The organiser will provide each crew with the number identification, which must be affixed to their car in the stated positions prior to scrutineering and during the rallye.

The vehicles will be presented at the scrutineering with the competition numbers and rally plates, with or without the organiser's advertising fixed in its corresponding place, according to **Appendix 4**.

### 6.1. Compulsory organizer's advertising

- RALLYE PLATE: 43x21.5 cm. rectangle, to be placed at the front of the car.

- COMPETITION NUMBERS: Two 67 x 17 cm. rectangles in the front doors. Each panel shall be placed horizontally at the leading edge of each front door, with the number at the front. The top of the plate shall be between 7 cm and 10 cm below the lower limit of the window. Cutting the panel is not allowed.

- REAR SIDE WINDOW: Two sets of the participant's number in fluorescent orange, 20 cm. in height, which will be placed in front of or above the names of the driver and co-driver.
- REAR WINDOW: One set of the participant's number in fluorescent orange, 14 cm. in height, which will be placed at the upper right part of the rear window.
- REAR WINDOW: 30 x 10 cm. rectangle, placed centered at the bottom of the rear window.

### 6.2. Optional organizer's advertisement

- 40 x 20 cm. rectangle in the front door, just below the competition numbers.

### 6.3. Emergency stickers

Two stickers with the emergency number, designated as "SOS", will be issued by the Organizers, to which any competitor or spectator can call, in case of emergency or accident occurred during the Rallye.

These stickers must be affixed on the competitor vehicle, one inside and the other outside, both in clearly visible locations.

#### SOS – Emergency phone number

## 7. TYRES

### 7.1. Tyres specified for use during the rallye

See Art. 13 of the FIA RRSR (tyres and wheels) and regulations applicable to the Spanish Tarmac Cup (CERA RECALVI).

### 7.2. Eligible tyres during the rallye

See art. 20.5 Spanish Tarmac Cup CERA RECALVI 2022 Supplementary Regulations

Tyres used during Free Practice, Shakedown and Qualifying Stage Will not be marked and are not part of the number of tyres used for the competition.

### 7.3. Tyre marking zones

During the Rally, tyre marking zone will be organized at the exit of the Service Park, after the Refuel zone (See Road Book).

Tyres will be marked throughout the rally in accordance with the procedure given by the scrutineers.

A team member must be present.

## 8. FUEL

### 8.1. Ordering procedure

Fuel must be in compliance with FIA 2022 ISC Appendix J

The crews and all refuelling personnel must comply with RRSR articles 61.2.3 – “In order to access the RZ, all personnel involved in refuelling operations must wear clothing that provides adequate protection against fire and includes at least: long trousers, long-sleeved top, closed shoes, gloves and a balaclava” - and 61.2.7 – “It is required that the crew remain outside the car during refuelling”.

During the rally, refuelling zone (RZ) and commercial filling stations are shown in the Road Book and Service Book.

The maximum number of mechanics authorised to help for the refuelling procedure must be two (2)

These mechanics are requested to be duly identified with the accreditations that will be issued by the Organisers. Therefore, it is compulsory to wear balaclava and fireproof gloves (a complete fire-resistant approved overalls it's recommended), likewise totally covered (it's not authorised to wear shirts, shorts, etc...)

Competitors are responsible to protect the ground with an Environmental Mat which shall be composed of an absorbent upper part and an impermeable lower part.

## 9. RECONNAISSANCE

### 9.1. Registration procedure

Reconnaissance must be done with cars according to Art. 35 of 2022 FIA Regional Rallyes Championships Sporting Regulations.

Organisers will provide a reconnaissance vehicle identification sticker and timecard together with the reconnaissance documentation to all entrants

Reconnaissance's sticker must be affixed during reconnaissance on the top right of the front windscreen.

The presence of drivers and/or co-drivers on a special stage, in any way whatsoever will be considered as reconnaissance.

It is allowed to film the SS during the reconnaissance

#### Schedule:

Reconnaissance for all drivers will take part on:

- Saturday, 13<sup>rd</sup> August, from 09:00 AM to 10:00 PM (Optional)
- Thursday, 18<sup>th</sup> August, from 09:00 AM to 10:00 PM.

The programme according to Appendix 2 must be fully respected by the crews

Reconnaissance will be limited to a **maximum of two (2) passages** per Special Stage, even if it is run twice during the rallye, at a reduced speed (see art. 9.2 of Sup. Reg.) and fully respecting the Road Traffic Laws in Spain. In no circumstances may crews drive in the opposite direction of the rally on the special stages.

Infringements will be reported to the Stewards.

#### **9.2. Specific and / or national restrictions. Speed limit on the SS**

The maximum speed during reconnaissance of special stages is fixed at 80km/h except when it exists speed limit signs and through villages or towns.

**It is emphasised that reconnaissance is not practice.**

All the Road Traffic Laws in Spain must be strictly adhered to, and the safety and rights of the other road users must be respected.

Reconnaissance vehicles must be covered by their own particular insurance as required by current legislation. No responsibility can be imputable to the Organisers.

Speeding during reconnaissance will incur a fine applied by the clerk of the course as follows:

**Per km per hour over the speed limit – all drivers: € 25**

Other traffic infringements during reconnaissance will incur a fine applied by the clerk of the course according to Art. 34.2 of 2022 FIA Regional Rallyes Championships Sporting Regulations

The amount of this fine will be unaltered by any fine imposed by the police.

The fine will be doubled in case of a second offence committed during reconnaissance in the same rallye.

#### **9.3. Location of collection of speed control checking devices / GPS**
